

Redbank

Rosé 2019

COOL CLIMATE
WINES FROM THE
KING VALLEY

FAMILY OWNED
VINEYARDS

The sound of gentle rain on the iron roof is like a soothing symphony to the Australian farmer. Could this be the Autumn break he had been praying for? Preparing the earth for the sowing of his crops. Replenishing water tanks. Filling the creeks and rivers so the cattle and sheep have fresh water. Rain, sweet rain. Please don't stop now!

TASTING NOTE

Source from decades old low cropped Grenache vines our salmon Pink rose has aromas of musk and rose petals. On the palate the strawberry and raspberry mid palate gives way to a crisp vanilla wafer like tannin structure. Old meets new with a perfect structure to enjoy with seafood or as an aperitif.
