## Victorian Pinot Grigio 2019

COOL CLIMATE  
WINES FROM THE  
KING VALLEY

FAMILY OWNED  
VINEYARDS

It's the gentle warming of Spring which brings dreams of a bumper crop. Family and neighbours can relax a little and come together to share the spoils of their labour over a long lunch. Their stories of hope for the future filling the air. Here's to the good times.

The grapes for this wine are sourced from the King Valley, where the high altitude and cool summers are ideal conditions for producing aromatic white varieties.

### TASTING NOTE

Fresh and Crisp in the expected Pinot Grigio style. Fresh melon, pear skin and grapefruit aromas become green apple and zesty pear on the on the palate. The palate finishes long and dry with grapefruit like acidity.

Best enjoyed now with full flavoured dishes that allow the crispness of the wine to show through the food flavours.
