Spring is in the air! March 20th marks the 1st day of spring, which is one of several reasons to celebrate this month! As the birds sing louder and the sun shines brighter, inspiration to start springtime projects begins to grow. One local event that is sure to increase that "spring-spiration" is featuring three Cutter Companies on their vendor list this year. Cedar Valley Farms, Cutter Concrete & Excavating, and Beef by Chuck will all be attending:

DECOCRETE EXPO 2023!

Cedar Valley Farms will offer the whole body relief you'll need before, during, and after all your springtime projects. Beef by Chuck will provide premium snacks to keep you fueled for the finish line, and Cutter Concrete and Excavating will be showing off their skills and igniting ideas of dreamy living spaces indoor and out that you never knew you could have!

Happy Birthday

Speaking of inspiration, there's another important date to be sure to mark down this month! On March 24th, we are celebrating the birthday of our very inspiring CEO, Kristin Anthony! Customer Review

I have had low back pain for several years, and decided to try something other than a typical warming rub. I started using Cedar Valley Farms Maximum Relief Topical and was amazed at the difference it made. I am back to normal in half the time!! I definitely recommend this product to anyone with aches and pains!

Customer Review

I was in so much pain from I thought was a pulled muscle in my neck, turns out it is a herniated disc causing so much pain in my neck, shoulder and all the way down my arm. **THIS STUFF RELIEVES THE PAIN!!!** Works so well!!
