## A Fresh Start - CVF is in Buehler's!

Summertime is a season to enjoy freshness all around - fresh air, fresh growth, fresh food, and even fresh ideas that ignite from long, sunny days and warm, starlit nights. This summer, Cedar Valley Farms is beyond excited about a fresh start in a seasoned but remarkably fresh environment, Buehlers in Ashland!

Pictured is our CEO, Kristin, and Chairman, Shawn, bringing their dreams to reality by placing their homegrown products on the local shelves of Ashland Buehlers. Feelings of gratitude and elation emerge with the thought of touching more lives by offering their wellness products in such an ideal location.
