# Your Locks Will Love What's New at CVF!

NEW

Exciting News! To scratch the surface of a CBD beauty line, we are now selling Emera CBD hair products! The benefits of CBD are exponential and flow into the enhancement of your hair and scalp. Check out these new products that you can soon purchase on the CVF website!

Emera hair products are revolutionary, luxurious, and effective. While washing away your tresses' troubles, be revived by the refreshing scent of seagrass mint! Emera CBD hair products work naturally with the body's endocannabinoid system to create optimal conditions for healthy hair growth.
