It's National Hemp Month!

A Look Back at Our Leaders

July is booming with reasons to pull out your patriotism and celebrate the red white and blue! Along with this month including a focus on America's independence, it's also National Hemp month, which celebrates the return and strong presence this versatile and useful crop has in our society thanks to the Hemp Bill of 2018. Its benefits to people, pets, and the environment are undeniable and becoming quite a popular candidate so to speak. In recognition of America's independence and the celebration of National Hemp month, we're taking a quick patriotic peek at a couple of our past presidents and their early involvement with USA's sparkling superstar - hemp.

FUN FACT: In two Virginia counties in the 1700's, folks were allowed to pay their taxes in hemp.

George Washington

George Washington grew many acres of hemp for industrial purposes such as rope, canvas, thread, fishing nets, and more. He had 3 time periods in his life where he had serious interest in hemp cultivation beginning in the mid to late 1760's initially as a cash crop replacement for tobacco. Below is an actual diary entry from our founding father and 1st U.S. president! Proof of a real hemp farmer!

Founding father, author of the U.S. Declaration of Independence, and 3rd president of the U.S, Thomas Jefferson also grew hemp on his Virginia farm as noted in his farming diaries from 1774-1824 in addition to trading hemp seeds.

Keeping the Whole Kit & Caboodle Calm

This fourth of July, keep your pets part of the patriotic parties, but make sure they stay calm when the fireworks begin to fly. Dogs can experience extreme fear and anxiety when they hear loud noises such as fireworks and no longer feel certain about their surroundings. Unleash CBD for a natural way to keep them comfy and stress free for summer.

Canine Hearing: Dogs have more delicate and sensitive ears than humans. The structure of their ears, including the shape and size, helps capture and amplify sound waves, making them more receptive to even subtle sounds.

Being more susceptible to loud noises can potentially cause distress or anxiety, particularly during events like fireworks. It's important to provide a calm and safe environment during such situations and consider a natural remedy like a product from Cedar Valley's Pet Collection to achieve a state of calm and help them feel safe.

Fun Fact: It's estimated that dogs can hear sounds at frequencies from 40 Hz - 60,000 Hz, while the human range is usually 20Hz - 20,000 Hz.

CBD does more than calm your pet!

Fun Fact: In 2020, The first randomized, placebo-controlled clinical trial on the effects of CBD in dogs with osteoarthritis was published. The study found that CBD oil improved comfort and activity levels in dogs with osteoarthritis, suggesting potential benefits for pain management.

CBD Celebration

You're Invited!

A CBD Celebration of Natural Wellness!

What better month to celebrate natural wellness than July? July 4th acknowledges our country's independence and commemorates the Declaration of Independence, ratified by the Second Continental Congress that established the United States of America. We take time to celebrate our many freedoms, one being the production of hemp, after the passing of the 2018 Farm Bill. Our country's independence combined with it being National Hemp Month makes for a massive celebration!

This month, we're inviting both humans and pets to the party with our CBD Celebration! Join us to ignite natural wellness for yourself, and cover your cat or canine with calm. Our CBD Relief Topical is perfect for any sorenesses that come with summer, which is why we're extending the savings of 25% off. Due to the fear pets can feel from seasonal fireworks, we're adding in a FREE jar of our CBD Pet Treats (with purchase of a large topical)! They're perfect for many summer activities that can be stressful for pets like camping, traveling for vaca, or even scary summer storms. We're also firing in a FREE CBD Pre-Roll for you to help start the celebration and spark up your 4th of July with wellness! (Pre-roll not for pets)
