

WATCH SIZING GUIDE

Note: Print this Ring Size Guide on standard A4 size paper, ensure page scaling is set to 'None' in the print dialog box.

Check the scale below to ensure it measures exactly 30mm once printed.

PRINTING THIS SIZE GUIDE

Step 1:

First, print out the page to assist you with estimating your wrist circumference for correct bracelet size.

Step 2:

Next, compare the bracelet sizer with a ruler to make certain the sizer printed at the correct scale, e.g. place a ruler at 0 and measure that the 12 cm mark is the equivalent. (Please note that some printers may enlarge or reduce due to settings).

MEASURING YOUR SIZE

Step 3:

Cut out the entire bracelet sizer and place it around your wrist to be measured. Pull the end through the slit marked "cut here".

Step 4:

Do make sure there's enough room remaining around the wrist for at least
