SOUP MUGS

These mugs are perfect for those of us who need a large cup of coffee in the morning and maybe in the afternoon too! Also used as a soup mug, it features a wide mouth opening and is easy to use with a spoon, while the handle keeps your hands off a hot bowl. Of course it's right at home holding ice cream, pudding or snacks. Microwave and dishwasher safe. Jumbo soup mug holds 29 ounces.

EARTHWARE

These bamboo, corn husk fiber dinnerware pieces are the perfect addition to your table! Use these beautifully designed plates, bowls and cups for picnics, appetizers, salads, kids plates and everyday use! Unlike disposable compostable paper party plates that harm the environment, these plates are dishwasher safe and can be used over and over. It will in turn bring about two major benefits not only for the convenience of the customer but for our earth. Microwavable, dishwasher safe and recyclable.

PEANUTS HALLOWEEN

One of the fall holiday traditions we cherish most in our home is watching *It's The Great Pumpkin, Charlie Brown* live when it airs each year. The special has been airing regularly since 1966, bringing with it the nostalgic air of the fall season, and having this beautiful Peanuts® Halloween dinnerware collection in your home is yet another way to capture that very same feeling of pumpkin-fueled nostalgia.
