Design Miami/ announces the Gallery and Curio list for the 19th edition of it's Miami Beach fair this December

11 October 2023, Miami - Design Miami/ is delighted to announce the gallery and curio list for its 19th edition, running December 6-10, 2023, with Preview Day on December 5. Taking place in Pride Park, opposite the Miami Beach Convention Center, the fair will feature over 40 gallery and Curio exhibitions, presented alongside a rich program of partnerships and collaborations. Programming will respond to this year's theme, *Where We Stand*, as selected by Curatorial Director Anna Carnick, a celebration of design inspired by place, community, and heritage—and the beauty and power that can be drawn from our most intimate, rooted connections.

Jen Roberts, CEO, Design Miami/, says: *"The upcoming 19th edition of our Miami Beach flagship fair this December will continue the momentum of this landmark year, following our inaugural Paris edition this October, and looking towards our 20th anniversary in 2024: two incredible milestones for Design Miami/. This year, we welcome an incredible line-up of exhibitors across our gallery, Curio, and partner programs. It is a true pleasure to see returning exhibitors, such as Galerie Patrick Seguin, Friedman Benda, Moderne Gallery, and R & Company, alongside first-time exhibitors including Adrian Sassoon, Atelier Ecrú Gallery, Aequo Gallery, and Galerie Melissa Paul, and Marta within our Curio program."*
