BOOKED!

Spend a day creating something delicious with these new kitchen bibles

If you're sold on entertaining friends this holiday season, food and drink are the best bait. Turn to *Round To Ours* (Quadrille), which guides you through the dinner-party process, from recipes to playlists. A crop of new cookbooks will get creative juices flowing: pore over José Pizarro's *Catalonia: Recipes From Barcelona And Beyond* (Hardie Grant) for a Spanish supper menu; or go festive with Nigel Slater's *The Christmas Chronicles* (4th Estate). —Olivia Marks

TO SERVE WITH LOVE

Set the stage for a perfect dinner party with trendy tableware

◀ FOR THE TRAVEL BUFFS

Are your friends always planning their next vacation and plotting to discover the length and breadth of the world together? The cabin suitcase by Trunks Company will be the perfect travel companion. Their signature wooden linings and quirky design is something only a true travel buff will appreciate. Trunkscompany.com

▼ FOR THE DESIGN LOVERS

For the couple that enjoys everything handcrafted, look to Nupurh J's pure silver aarti thali and pooja room décor that is perfect for an auspicious start in a new home. The label's intricate work with silver spans wine glasses, dinner sets, cutlery and bar accessories, too. Nupurhji.com

▲ FOR THE GOURMANDS

This couple's perfect date involves kneading, blanching and blending, with shared glasses of wine while the pot simmers. Gift them Faaya's 'Samarkand' set of salad bowls that come with add-ons like trays and platters. When they have family over, we imagine them plating madeleines and muffins on the 13-inch handcrafted cake stand. Faayagifting.com
