# Getting Started CheckList

**Document:** Getting Started Checklist for imaging with REVEAL LIGHT™ and REVEAL DARK™
**Time Required:** 30-40 minutes

This Getting Started CheckList will guide you in getting your Reveal printing system setup properly.

**Getting Started:**

1. Unpack your Epson ET 8550 printer and load Reveal Ink
2. Reveal PrintPerfect ET 8550 Driver Installation
3. Reveal PrintPerfect ET 8550 Driver Initial Setup
4. Heat Press Calibration
5. Using the Reveal PrintPerfect ET 8550 Driver

There are both PDF's and videos available online at:
RevealTransfers.com on the 'Resources' link in the main menu

**Note - Do NOT install Epson ink into your printer!**
