Overall Height 5ft Standard, Adjustable

Canopy Style Floating

Light Source Custom LED COB/3W

Hardware/chain Finish Brass, silver

Canopy Finish Matte silver, Matte white,  
Antique bronze, Chrome,  
Brushed brass, Brushed nickel

#### Product Details

Each Honeycomb pendant is made using a custom-made mold and cast glass to ensure consistency. The thicker glass is hand-made laser cut to create the diamond shape. The inner design is made with silver leaf or gold leaf with LED COB light source on the top to illuminate the glass.

Whether you want tri-pendants, or a multi-pendant chandelier, you may customize your fixture with as many pendants as you need - all tailored to fit your space and your style.

Wires are adjustable - even after installation - and come standard at 6 feet long. Pendants can be hung all the same height, in a grouped, or staggered formation, depending on your preference.

Each fixture included: canopy, transformer, lightbulbs, and up to 6 ft adjustable wires.

As all of our items are hand-made, sizes are approximate. Variations in size, color, shape, and texture (including but not limited to fissures, bubbles, cracking, and crazing in the glass) are inherent to all of our glass
