### Product Details

1 Tamar pendant topped with a decorative metal cap and supported by metal backplate.

Hand-painted fused glass panels, in abstract designs or solid colors. The masterful creations feature unique textures, color gradations, and varying levels of transparency that tell a different story every time you look at it.

As all of our items are hand-made, sizes are approximate. Variations in size, color, shape and texture (including but not limited to fissures, bubbles, crackling, and crazing in the glass) are inherent to all of our glass.
