Product Details

The Globe pendant is a smooth, blown glass orb with a subtle diagonal ridged surface and a puckered open bottom.

Wires are adjustable - even after installation - and come standard at 5 feet long. Pendants can be hung all at the same height, in a grouped, or staggered formation, depending on your preference.

Each fixture included : canopy , transformer , lightbulbs and up to 5ft adjustable wires.

As all of our items are hand-made, sizes are approximate. Variations in size, color, shape and texture (including but not limited to fissures, bubbles, crackling, and crazing in the glass) are inherent to all of our glass.
