Product Details

The Halo pendant is a new spin on Shakúff's iconic Kadur design.

Halo is a flat disk shape glass pendant. Its inner drizzled glass fibers are encased within a pristine outer glass.

Each pendant is held in place by a rod (available in chrome and brass) which expands into an exterior matching plate.

Each fixture included : canopy , transformer , lightbulbs and rod.

As all of our items are hand-made, sizes are approximate. Variations in size, color, shape and texture (including but not limited to fissures, bubbles, crackling, and crazing in the glass) are inherent to all of our glass.
