### Product Details

Ropes of drizzled glass encase hollow tubes of blown glass, creating a richly textured surface on each Tamar pendant.

Wires are adjustable - even after installation - and come standard at 5 feet long. Pendants can be hung all at the same height, in a grouped, or staggered formation, depending on your preference.

Each fixture included: canopy, transformer, lightbulbs and up to 5ft adjustable wires.

As all of our items are hand-made, sizes are approximate. Variations in size, color, shape and texture (including but not limited to fissures, bubbles, cracking, and crazing in the glass) are inherent to all of our glass.
