Product Details

Each Dew pendant is made using a custom-made mold and cast glass to ensure consistency. The thicker glass creates a three dimensional effect at the bottom of each Dew drop that reflects light lengthwise.

Whether you want individual pendants, or a multi-pendant chandelier, you may customize your fixture with as many pendants as you need - all tailored to fit your space and your style.

Wires are adjustable - even after installation - and come standard at 6 feet long. Pendants can be hung all at the same height, in a grouped, or staggered formation, depending on your preference.

Each fixture included: canopy, transformer, lightbulbs and up to 6ft adjustable wires.

As all of our items are hand-made, sizes are approximate. Variations in size, color, shape and texture (including but not limited to fissures, bubbles, crackling, and crazing in the glass) are inherent to all of our glass.
