Product Details

Marble plate bottom with brass rod and brass ball decorated with Kadur pendants and reading light.

The masterful creations feature unique textures , color gradations , and varying levels of transparency that tell a different story every time you look at it.

As all of our items are hand-made , sizes are approximate . Variations in size , color , shape and texture (including but not limited to fissures , bubbles , crackling , and crazing in glass) are inherent to all of our glass.
