

Wayfinding Pillar

High-tack cast digital vinyl protected by anti-scuff, anti-scratch, anti-graffiti, UV stabilizing overlaminate. Graphics can be applied to all four sides of the pillar.

Pillar is made from corrosion resistant aluminum and can be powder coated in a range of colours.

Options include:

- 6x6 aluminum square tube with a 10x10 baseplate.
- 4x4 aluminum square tube with a 8 x8 baseplate.
- 4x4 aluminum square tube with standoff markers.

Tamper resistant hardware is available.
