

# HOLLYWOOD MIRROR

## SAFETY DURING UNPACKING

### Warning

Do not leave packaging materials or accessories lying around during unpacking. They can become dangerous play items for children. Dispose of the packaging material only after the hollywood mirror has been installed and is operational.

### Plastic Bags & Wraps

Keep plastic bags and wraps away from babies and children to prevent suffocation! Thin wraps can adhere to the nose and mouth, obstructing breathing.

### Small Parts

Contains small parts, not suitable for children under 3 years of age or individuals prone to putting non-edible objects in their mouths. Small parts can be swallowed or become lodged in the throat, posing a choking hazard.

## CERTIFICATES

### CE Certificate

The CE marking (an acronym for the French "conformité européenne") confirms that a product complies with EU requirements in terms of health, safety, and the environment, ensuring consumer safety.

### RoHS Compliance

The RoHS Directive 2015/863/EU (from the English Restriction of Hazardous Substances), is an EU directive aimed at restricting the use of certain hazardous substances in electrical and electronic equipment. Each EU member state must adopt its own law to implement this directive. If a product is RoHS certified, it confirms that the presence of hazardous or difficult-to-remove substances is limited to the maximum permitted.

## SAFETY INSTRUCTIONS

- 1.Please read the instructions carefully before use.
- 2.Avoid disassembling or modifying the product.
- 3.Ensure proper use of the touch sensor button.
- 4.Avoid exposing the product to moisture.
- 5.Keep the mirror dry as moisture can reduce sensitivity.
- 6.Power off before cleaning. Use a glass cleaner for the mirror surface and ensure it is completely dry before use.
- 7.Power off and avoid direct sunlight if not in use for prolonged periods. Keep out of reach of children.
- 8.Ensure your charging device matches the mirror's voltage rating before use.
- 9.Do not expose the product to fire to prevent risk of explosion.
- 10.Cease use immediately if any abnormalities occur.

### IMPORTANT:

Always ensure that both the adapter and mirror remain dry and away from contact withmoisture and other liquids. Prevent animals from accessing the adapter's cord to avoidpotential damage that could lead to a short circuit. Remember to turn the mirror offwhenever leaving home or stepping away from it for extended periods. Unplug the mirrorwhen not in use to eliminate any risk of a short circuit. For any product faults,Please contact our customer support.
