

MISSION

To bring smiles and solidarity to those affected by cancer, one kit at a time.

VISION

To provide material and psychosocial support to reduce stress and anxiety for a better treatment process.

ABOUT

Founded by a three-time cancer alumna, Kits to Heart gives thoughtfully designed, curated **cancer care kits** to patients and their caregivers. Kits are shipped directly to families nationwide and dropped off at hospitals and cancer centers. Kits to Heart also provides an innovative **Art for Cancer Wellness Program** to address the issue of loneliness and help patients, caregivers, and oncology healthcare workers heal through art.
