

THE CLUBHOUSE

SAUVIGNON BLANC

Region

The Adelaide Hills is located in the Mount Lofty Ranges, east of Adelaide. One of the largest geographical wine regions in Australia. Its diversity in terms of altitude, climate and soil helps it produce its distinctive cool climate wines.

Vintage

2021 vintage was one of the greats. Excellent winter/spring rainfall, sunny warm spring followed by one of the mildest summers on record with only one day over 36 and beautiful mild evenings. Whites are incredibly fragrant, aromatic with delicious fresh acidity and lovely fleshy fruit palates.

Wine

Fruit for The Clubhouse Sauvignon Blanc was machine harvested in the early hours of the morning, then crushed and drained through the press to retain the fresh, bright flavours. Clarified juice fermented with two aromatic yeast strains to enhance the Adelaide Hills sauvignon blanc varietal characters. A refreshing Sauvignon Blanc with a zesty grapefruit & passionfruit nose, the mid palate is wonderfully textured with citrus pith and a long crisp palate. The ideal kick off to an afternoon of food, footy, friends and family.
