KEY INGREDIENTS

FUNCTION

Yohimbine HCL

Yohimbine, a natural extract of the African Yohimbe tree, has been shown to activate certain receptors in your body that normally promote fat burning. It also increases your adrenaline, which helps your fat cells burn calories.

Curcumin

An extract of turmeric that can help the body manage pain, stress, and inflammation.

CBD

Supports the endocannabinoid system, which has been linked to the digestive, endocrine, nervous, and cardiovascular systems, and works to help maintain general balance in the body.

BioCx

Our proprietary complex that delivers molecules with low bioavailability to the body in a way that enhances absorption.
