

# SOOTHE CREAM

Maximum Hydration

## WHAT IS IT?

An elegant air pump bottle to help you get every last drop of our rich, luxurious Soothe Cream.

## WHAT DOES IT DO?

Inspired by the healing power of nature, BioReigns' Soothe line offers soothing ingredients like coconut oil, glycerin, aloe vera, and menthol. Delivered with our exclusive BioCx technology, your irritated skin and sore muscles will get the relief they deserve.

### KEY INGREDIENTS

### FUNCTION

#### Dimethyl Sulfone (OptiMSM)

A compound famous for helping with stiff joints and muscles inflammation, and strengthening keratin, the skin's key structural protein.

#### Camphor Essential Oil

An extract of the camphor tree that can soothe itching and skin irritation. Can also provide mild analgesic effects.

#### Arnica Montana Flower Extract

A natural extract used topically in herbal medicine to help relieve pain and inflammation.

#### Tetrahydrocurcuminoids

A colorless extract of curcumin, which is derived from turmeric. Protects the skin from free radical damage as a powerful antioxidant.

#### CBD

CBD's wide range of benefits includes your skin! CBD can help with joint pain, skin elasticity, and topical inflammation.

#### BioCx

Our proprietary complex that delivers molecules with low bioavailability to the body in a way that enhances absorption.
