WHAT DOES IT DO?

The Derm C2 PM formula is BioReigns' most advanced serum yet! Use in your skincare routine before bed to give your skin ingredients that can help with hydration, improving the appearance of wrinkles, and fading discoloration.

KEY INGREDIENTS	FUNCTION
Collagen	The most common protein in the body; provides structure to bone and skin cells. Can help with sagging skin and the appearance of wrinkles.
Vitamin C	An essential vitamin that fights free radical damage on the skin. Can also help brighten the skin by fading dark or discolored spots.
Hyaluronic Acid	A compound that helps with the appearance of wrinkles, skin elasticity, and delivers intense moisturization.
Tea Tree Extract	Used in traditional indigenous Australian medicine for centuries. Kills bacteria on the skin and can help treat many skin conditions, including acne and psoriasis.
BioCx	Our proprietary complex that delivers molecules with low bioavailability, like CBD and curcumin, to the body in a way that enhances absorption
