

## Practice Score Sheet

Use this Practice Score Sheet to help your team see how many missions the robot is able to successfully compete.

### Before the Match starts, before the clock starts.

1. "Choice" Tell the Referee "Easy" or "Hard" (Mission 8).
2. IV Stand Present your creation of an IV Stand (made of LEGOs) to the Referee.

**Make sure to practice "Choice" & IV Stand, you'll feel more comfortable at the tournament.**
