

## Capture Pua Starting/Scoring Positions

The intent of this document is to show a close-up view of the mission object's "Starting" and "Scoring" positions in support of the Ua Hala Ka Hala Island Adventure Challenge's videos and documents, and the General Rules.

### Starting Position

At the Start of the Match, the referee will place the Pig on the pink square. The Pig may be facing any direction.

## Scoring

Program your robot to relocate the Pig to the Safe Zone.

The robot may move the Pig in any way possible to relocate the Pig to the Safe Zone.

Partially or completely in the Safe Zone score.

Team members may remove the Pig from the Safe Zone.

**25 Points**
