

Cook Your Feast

Starting/Scoring Positions

The intent of this document is to show a close-up view of the mission object's "Starting" and "Scoring" positions in support of the Ua Hala Ka Hala Island Adventure Challenge's videos and documents, and the General Rules.

Starting Position

The Oven will be attached to the Mat with Dual Lock.
The Oven Door will be elevated, such that the door is at a 90 degree angle.

Scoring

Program your robot to lower the Oven Door.
Partially or Completed lowered scores.

30 Points
