

## Scorpions/ Scorpion Cages Starting/Scoring Positions

The intent of this document is to show a close-up view of the mission object's "Starting" and "Scoring" positions in support of the Ua Hala Ka Hala Island Adventure Challenge's videos and documents, and the General Rules.

### Starting Position

#### Scorpion Cages

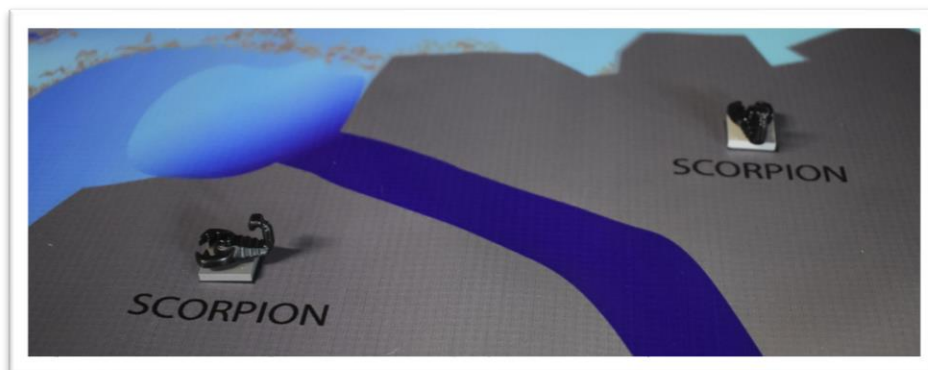

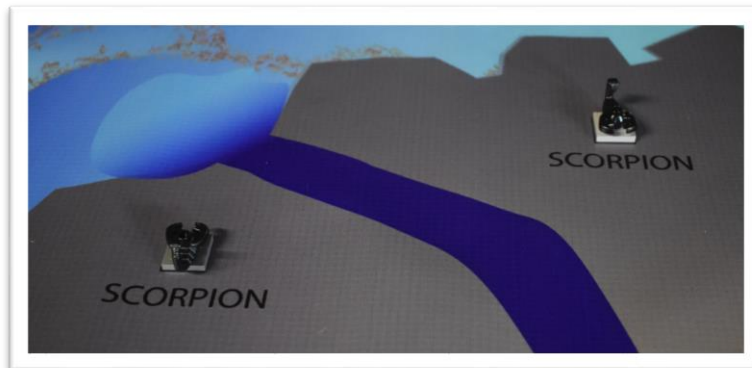

The Scorpion Cages will be found in the Safe Zone at the Start of the Match. You may move any object in the Safe Zone as necessary.

**Notice** how the LEGOs of the Scorpion Cage are assembled. The brick with the 2 holes is positioned such that the openings are facing the same side of the Net LEGO which has no LEGOs attached.

## Scorpions

**Notice**, the Scorpions may be attached to the mat in any direction.

## Scoring

The robot must be programmed to deliver the Scorpion Cages to the Scorpions.

Cover the Scorpion with the Scorpion Cage.

1 Scorpion Cage per Scorpion.

Partially or Complete covered score.

Scorpion Cages scores separately.

1 Scorpion Cage scoring, 20 Points

2 Scorpion Cages scoring, maximum 35 Points

Scorpion 1 is not covered by the Scorpion Cage, no score.

Scorpion 2 is completely covered by the Scorpion Cage, score.

**20 Points**

Scorpion 1 is partially covered by the Scorpion Cage, score.

Scorpion 2 is completely covered by the Scorpion Cage, score.

**35 Points**
