

Take Shelter in the Cave Starting/Scoring Positions

The intent of this document is to show a close-up view of the mission object's "Starting" and "Scoring" positions in support of the Ua Hala Ka Hala Island Adventure Challenge's videos and documents, and the General Rules.

Starting Position

Starting in the Safe Zone, your robot will take a minifig to the Cave.
Team Members will have to bring their own minifigs to the Match.

Scoring

Program your robot to relocate a minifig to the Cave.
Partially or completely on the green LEGO plate scores.

Completely on the green plate.

Partially on the green plate.

30 Points

Not on the green plate.

No Score
