

Treasure Map Starting/Scoring Positions

The intent of this document is to show a close-up view of the mission object's "Starting" and "Scoring" positions in support of the Ua Hala Ka Hala Island Adventure Challenge's videos and documents, and the General Rules.

Starting Position

Target Area for the Escape Raft

The Treasure Map will be resting on the arm of the Treasure Map Stand.

Notice: Make sure the arm of the Treasure Map Stand is pointing toward the Target Area for the Escape Raft

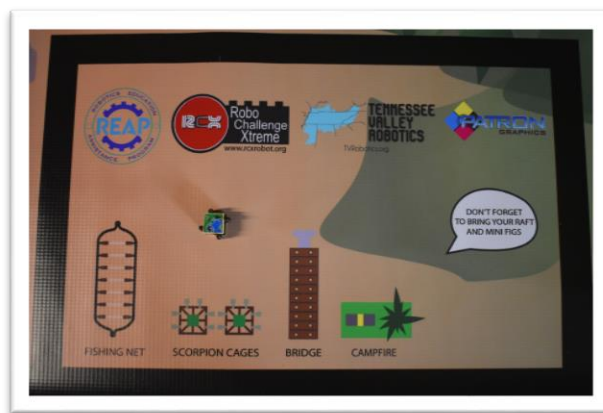

Before you place the Treasure Map on the Treasure Map Stand, make sure the arm is at a 90 degree angle.

Scoring

Program your robot to relocate the Treasure Map to the Safe Zone
The robot may move the Treasure Map in any way possible to relocate the map to the Safe Zone.

Partially or completely in the Safe Zone score

45 Points
