List of Current Washington Legal Blank Forms

This is a list of current Washington Legal Blank forms as of **July 23, 2023**. It replaces the list dated October 1, 2022. The letter designation or date following each number below will appear near the form number on up-to-date forms. If a different code designation is on your form, the form is out of date and should be replaced. Date codes and copyright dates for Kits (marked with an asterisk) refer to their Instructions only; check the list below for individual forms within a Kit. **Sets are not listed.** While Washington Legal Blank forms meet current CR, RCW and WAC requirements, specifications and requirements of individual Washington cities and counties cannot always be met.
