

RING SIZE GUIDE

Before printing, make sure that the page scaling is 'None' in your print options.
Make sure you are printing on a standard 8½ x 11 size paper (A4).

Use ring sizer to
measure finger size:

1. Print this page and compare the above printed scale with a real one.
2. Scale comparison is a must.
3. Place an existing ring above the scale and note the inner diameter in mm.
4. Use the ring size chart to check the size in mm against the preferred column on the next page. For e.g. if the inner diameter is 19.15mm then the ring size India is 20 and ring size USA is 9¼.

RING SIZE CHART

To find your Hazoorilal Legacy ring size, use an existing ring that fits you well. Match the inside of that ring with one of the circles below. When your ring has been placed on the right size, you should see only the white circle—with no beige space—inside your ring. If your ideal fit falls between two sizes, we recommend choosing the larger size.
