

Rectangle LED Mirror with Demister

Lighting options

Create the perfect lighting for every situation by switching between warm, cool and daylight modes. Dimmable to the perfect level and a memory function to ensure its set just how you like it.

Warm White

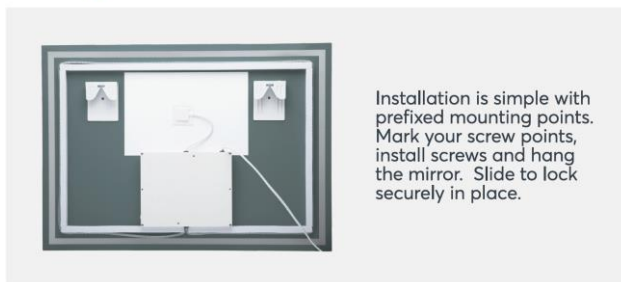

Create a warm ambient glow with the LED's set to warm white tones.

Cool White

Switch to cool white for functional lighting when you need it.

Easy Installation

Installation is simple with prefixed mounting points. Mark your screw points, install screws and hang the mirror. Slide to lock securely in place.
