# Goldair™

Installation Instructions

Portable Air Conditioner Window Kit

Model: GCPACWK

INSTALLATION INSTRUCTIONS

**Thank you for choosing this Goldair product. This kit includes:**

- **Material Window Seal**
- **8m Velcro Tape**

Please keep these instructions in a safe place for future reference.
Install the window seal in a window where the air conditioner is used. Ensure the window is thoroughly cleaned and dry before installation.
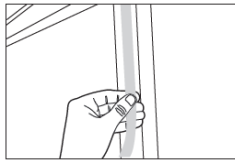

Please refer to your portable air conditioner's user manual for instructions on how to operate the device and how to attach the hose.
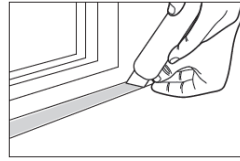

Applying the velcro tape

| **Step 1**	**Step 2**	**Step 3**	**Step 4**
On a clean and dry window frame, attach the adhesive Velcro tape	Install the self-adhesive Velcro tape all the way down to the bottom of the frame	Cut the Velcro tape to size.	Repeat the same steps on the window

Attaching the window seal

| **Step 1**	**Step 2**	**Step 3**	**Step 4**
Attach the window seal to the Velcro tape you applied on the window and frame	Ensure that both sides are aligned as you attach to the entire frame	Unzip the window seal and insert the hose	Zip up the seal to secure the hose in place

You can cut the window seal to fit. Ensure you do not cut through the zip.
