

Straight Square Bar Towel Warmer

BAR

Perfect for medium sized bathrooms and ensuites, our wide spaced rails allow space for even the most luxurious towels.

IP55

Goldair Platinum towel rails are rated IP55, allowing for installation in zone 2 of your bathroom.

STAINLESS STEEL

Designed and manufactured in 201 stainless steel for timeless looks and longevity.

ENERGY EFFICIENT

Low running costs.

QUICK CONNECT TECHNOLOGY

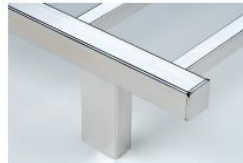

Prewiring is simple with our easy quick connect cable.

*QUICK CONNECT CABLE

Wiring options

Whether you are building or renovating, our concealed or exposed cord wiring options have you covered.

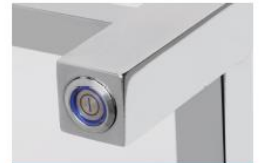

Concealed Wiring

Achieve the most minimalist aesthetic by concealing your cables.

Exposed Wiring

An easy retro-fit solution. Ideal for renovating and replacing existing towel warmers.

A Touch of Style

A subtle blue glow means your towels are being kept toasty dry. Use this button to activate or de-activate your towel warmer.
