

Meet William Booth

There was always a side to Billy that wanted to go against the authorities of the day. With a deep faith in what he believed and a desperate wish to change life for the needy people around him, Billy became one of the best known people of his time who started a charity that is still going strong today.

Question 1

How could one troublesome boy influence so many people in the world?

Question 2

What have elephants, camels and boxers got to do with The Salvation Army?

Question 3

How can it be right to upset so many people by doing what you believe in?

Question 4

Is there any more to The Salvation Army than brass bands playing carols at Christmas?
