#WOOLANDTHEGANG

When you're done - let the world know.

The XXXL scarf gets revamped into a must-have accessory-jewel. As easy and fast to knit as the already cult Foxy Roxy, in a new stitch, we've also added extra large pockets to turn a simple scarf into a cardigan look alike. Plain for a timeless style or sporty in stripes, the Jolly Pocket Scarf can be worn any place, any time, by anyone - men, women, children. It's the ultimate scarf. Point blank.

LET'S GET KNITTING

TOOL KIT

- 3 balls of WATG's Crazy Sexy Wool
- 1 pair of 15mm (19US) wooden needles
- 1 Jolly Pocket Scarf pattern
- 1 knitter's sewing needle

THE TECHNIQUES

Cable cast on

Create a slip knot on the left hand needle. Knit on one stitch, creating two stitches on the left hand needle. Now insert the right needle between the two stitches, wrap and bring through. Transfer the newly created stitch onto the left hand needle. Repeat until you have cast on the number of stitches indicated in the pattern.

Garner stitch

Knit every row.

Moss stitch

A simple stitch pattern where you alternate every knit and purl stitch on every row.

For an even number of stitches: Knit one stitch, then purl one stitch, repeat to the end of the row. Purl one stitch, then knit one stitch, repeat to the end of the row. Repeat these two rows.

For an odd number of stitches: Knit one stitch, then purl one

stitch, repeat to the end of the row. Repeat this row (since you have an odd number of stitches, knit and purl stitches will alternate automatically).

Casting off

When you complete your project, you need to cast off your last row of stitches in order to make an edge that won't unravel. For your final row, knit the first two stitches. Using the tip of the left needle, lift the first stitch up and over the second stitch and then slip it off the right needle. Now you have only one stitch on your right needle. Knit the next stitch from the left needle, then lift the previous stitch over it and off the needle as before. Do this with each stitch until there are no stitches on the left needle and just one stitch on the right needle. Cut the yarn, leaving a 15 cm (6") end. With your fingers, gently pull the tail through the last stitch and pull the yarn tight to secure.

Work! Work! Work!

There are two main ways to 'work' stitches: they can be knitted or purled. When the pattern asks you to 'work' a number of stitches/rows/cm, it will always specify which stitch pattern to work in.

TENSION

To ensure your knitting has the same measurements as the pattern, it is a good idea to make a tension swatch before you start knitting your project. A tension swatch is a small sample of your knitting where you count the stitches and rows and check them against the measurements (cm/in) given in the pattern. If you get MORE stitches/rows than the pattern's

tension, it means your knitting is tighter.

If you get FEWER stitches/rows than the pattern, your knitting is looser. Sometimes, it works to knit tighter or looser to compensate. When you make your swatch, make sure it is large enough for you to measure 10 cm/4" without including the stitches/rows closest to the edges (as these often have a slightly different tension). When you're done swatching, simply unravel and re-use the yarn to start knitting your JOLLY POCKET SCARF.

Garter stitch

10 cm/4" = 6 stitches

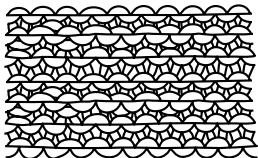

10 cm/4" = 10 rows

Moss stitch

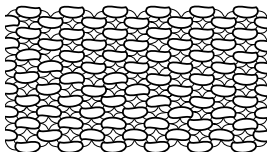

10 cm/4" = 6 stitches

10 cm/4" = 13 rows

HOW TO KNIT YOUR YOUR JOLLY POCKET SCARF

- 1 Cast on 14 stitches.

- 2 Knit 1 stitch, purl 1 stitch, repeat to the end of the row.

- 3 Purl 1 stitch, knit 1 stitch, repeat to the end of the row.

- 4 Knit 22 rows in moss stitch (repeat steps 2 and 3).

- 5 Purl 1 row.

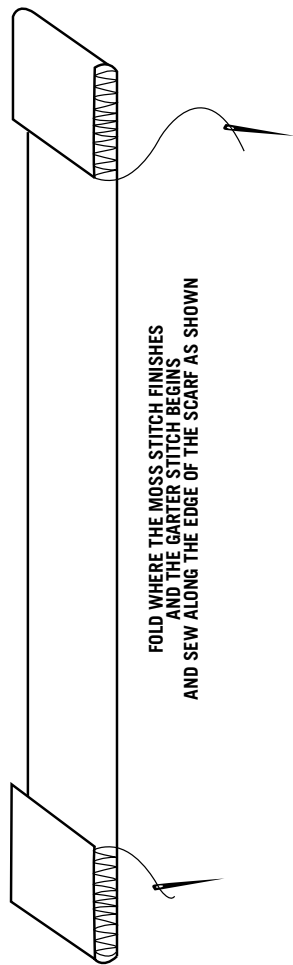

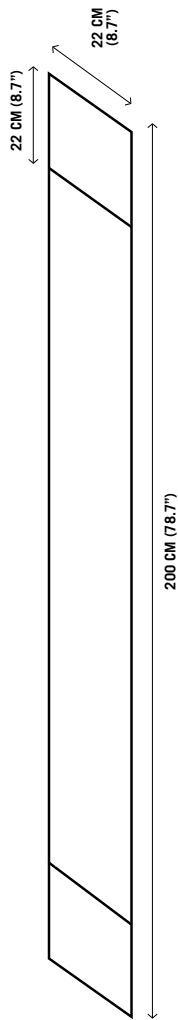

- 6 Knit 210 rows in garter stitch.

- 7 Knit 24 rows in moss stitch (repeat steps 2 and 3).

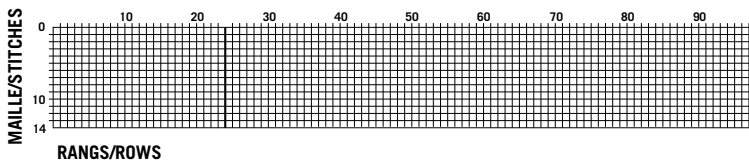

- 8 Cast off and weave in the ends.

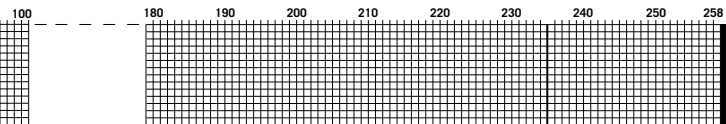

ASSEMBLY AND FINISHING

To make the pockets, fold where the moss stitch finishes and the garter stitch begins. Thread your knitter's sewing needle with a long length of yarn and sew along the edge of the scarf as shown in the sketches.

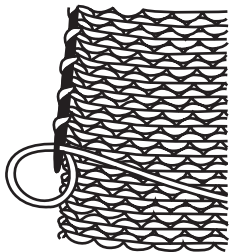

GRAPH

WEAVING IN THE ENDS

Weave the ends of your yarn into your knitting to finish it off and stop it from unravelling.

Thread the tail onto the small knitter's needle. Weave the yarn along the edge of your knitting as shown in the diagram. Where you have started a new ball, weave one tail in one direction and the other tail in the opposite direction. Once you have woven in approximately 10cm/4" then cut the tail.
