

# MEQNES CORPORATE GIFTING

Motivate your team or celebrate your client, to build relationships  
and make a lasting impression

# OPPORTUNITY AWAITS

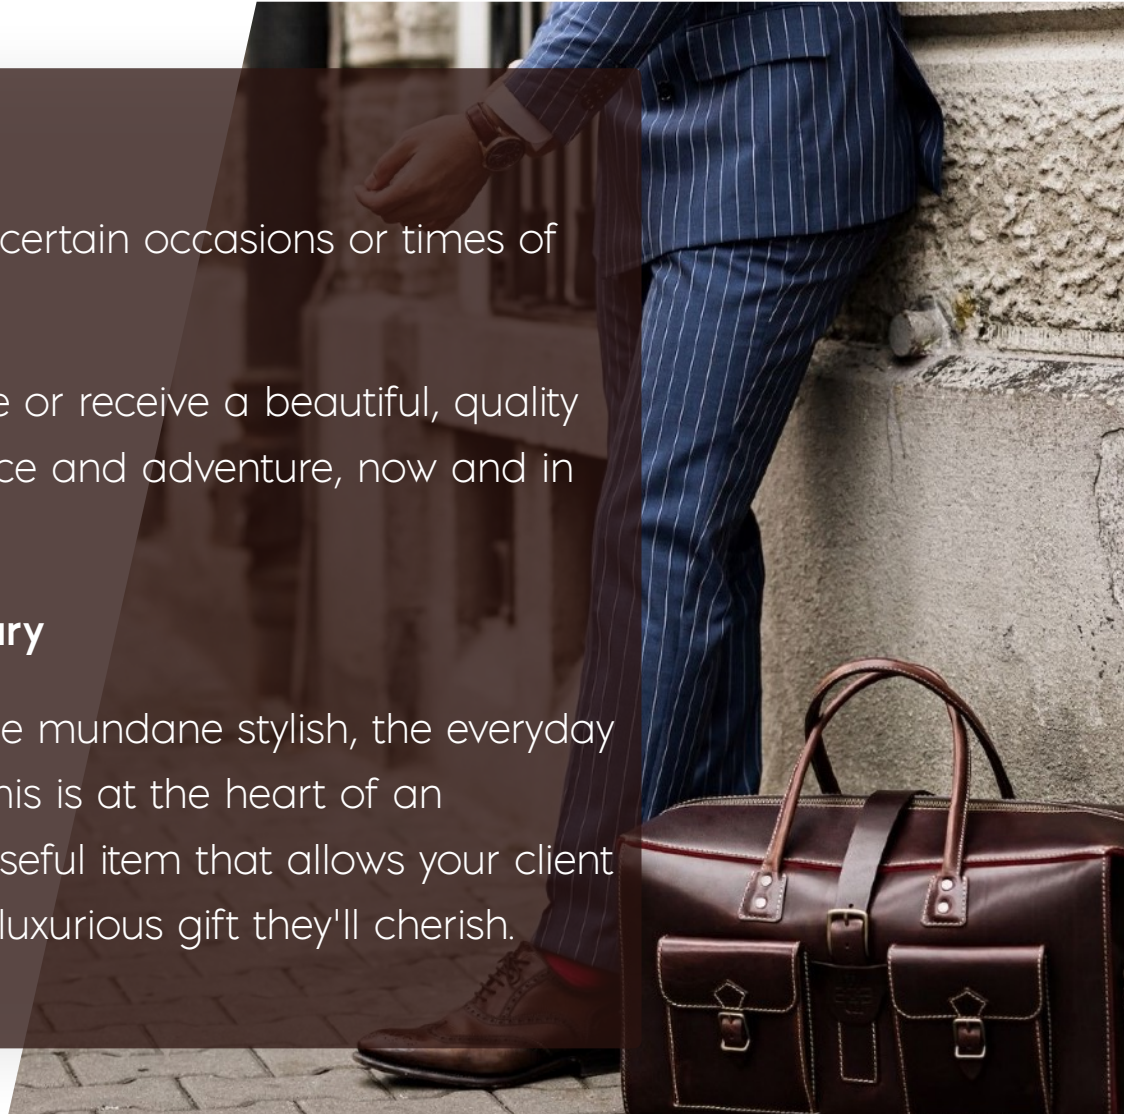

## Perfect for any occasion

Some corporate gifts only work for certain occasions or times of the year.

But there's never a bad time to give or receive a beautiful, quality leather product that evokes elegance and adventure, now and in the future.

## Make their "everyday" extraordinary

At Meqnes, we believe in making the mundane stylish, the everyday extraordinary. And we believe that this is at the heart of an unforgettable corporate gift. That useful item that allows your client to keep you in mind can also be a luxurious gift they'll cherish.

**Make your mark.** Meqnes products can be "ultra-personalized." Available in a selection of colors, they can be coordinated with your client's style or color preferences, or even match the shades of their organization's logo or yours.

# 3 SIMPLE STEPS

FIRST STEP: CHOOSE THE MODEL

SECOND STEP : WE ENGRAVE YOUR LOGO IN THE DIMENSIONS YOU WANT

THIRD STEP : WE ENGRAVE THE INITIALS OF YOUR PEOPLE

# KEY FEATURES / HOW IT WORKS

**Luxurious Leather** | Through months of dedication and research, we have been able to source beautiful, full-grain leather from Italy, that is on par with the high standards.

**Moroccan Traditions, European Quality** | Each bag is hand-crafted in Poland by talented leather artisans who know the quality, aesthetic and promises each Meqnes product holds. We are eliminating the middleman, which, in return, will keep the cost of Meqnes down to a minimum.

## Lifelong Wear

An utmost attention to impeccable materials with no corners cut, Meqnes product are designed to become a family heirloom that will last decades.

## Project the right image

Elegant, global, dependable, worldly-wise, a blend of tradition and innovation - **these are qualities you want to project about your company.** Meqnes products are the embodiment of all of them

**Each handcrafted product is constructed to last a lifetime and is unique, no two products are exactly the same.**
