## GENERAL INSTRUCTIONS:

Please read all instructions before beginning. All Fabrics used in the sample quilt come from French General's Ville Fleurie fabric line by Moda Fabrics and are based on fabrics that are 44/45" wide.

TO AVOID CUTTING ERRORS, IT IS RECOMMENDED THAT YOU READ ALL INSTRUCTIONS BEFORE CUTTING FABRICS. IT IS ALSO HIGHLY RECOMMENDED THAT YOU PREWASH ALL FABRICS BEFORE SEWING.

As in all quilting, it is essential that you achieve a ¼" seam allowance in order for your quilt to go together smoothly. It is recommended that you carefully measure a sample seam before beginning any assembly so that you achieve it. To aid in the easy assembly, measurements of the quilt in progress are given through-out this pattern.

Please note that when instructions are given to "join" one unit to another, it is highly recommended that you pin before sewing. This helps ensure accuracy of your blocks and gives a nice appearance to your piecing.

Unless otherwise noted all seam allowance are ¼".

WOF/LOF = Width/Length of Fabric
