

# ReadiMask Sizing Guide

Our Large size is really a Medium/Large and fits most adults, both men and women.

Here are the specific dimensions our Small, Large, and Extra Large Readimasks: (Please note that the more important dimension is the height)

If you measure from the bridge (middle) of your nose down to the edge of your chin and then add approximately 3/4 of an inch (190.5 cm), that would be the MINIMUM height you would need.

## **Sizing in inches:**

Our Small size Readimasks fit children and adults with smaller faces. The dimensions are 6 and 7/8 inches wide x 5 and 3/8 inches high.

Our Large size Readimasks fit most adults, both men and women. The dimensions are 7 and 7/8 inches wide by 5 and 7/8 inches high.

Extra Large size fits people with larger than average faces. The dimensions are 8 and 7/8 inches wide by 7 inches high.

## **Sizing in Centimeters:**

Our Small size Readimasks fit children and adults with smaller faces. The dimensions are 17.46 cm wide x 13.65 cm high.

Our Large size Readimasks fit most adults, both men and women. The dimensions are 20 cm wide by 14.92 cm high.

Extra Large size fits people with larger than average faces. The dimensions are 22.54 wide by 17.78 cm high.
