

# U - PIN AND CONNECTOR

## FOR LDPE

Increase size and add extra security to your ground protection mats with our U-Pin & connectors

## SPECS.

**4 CONNECTORS PER MAT**

**MOULDED PLASTIC & METAL**

**LDPE MATS WITH 40MM HOLES**

### U - PIN SIZE

**200MM X 95MM X 35MM**

### CONNECTOR SIZE BASE

**183MM X 54.4MM X 23.5MM**

### CONNECTOR SIZE TOP

**180MM X 40MM X 3MM**

Although the mats grip the ground firmly underneath heavy vehicles, in some circumstances like steep inclines, or for added security, you may wish to connect mats together. When necessary, our ground protection mats can be connected together by linking the connectors into the connector holes in each corner of the mat.
