COMPANY LOGO EXAMPLES

What is 3S Mask?

3S Mask is designed to achieve a closely facial fit and highly efficient filtration of airborne particles. It is designed to form a seal around the nose and mouth. Our mask comes in five sizes, we provide you the best fit possible for the best protection.

The company is committed to the continuous development of Personal Protective Equipment (PPE) products with you in mind. While keeping inline with INTERTEK's international certification of KN95 standards.

We provide customization services with your own artwork and logos.

4,235
Number of impressions
per promo mask over its
anticipated lifetime

Advertisement impact:

- 4,235 is the number of impressions per promo mask over its anticipated lifetime.
- 56% of women have a more favourable opinion of an advertiser who gave them a promo mask – a higher amount than men (45%).
- 39% of consumers own a promo mask.

Custom Design Service:

Customize your own mask now! We can custom print your artwork or brand logo or all over sublimation. We provide high quality work, with top notch customer service, proven by a loyal customer base of repeat clients.

We can provide Digital Textile Printing, Heat Transfer and Screen-Printing services. It will take two weeks for production.
