

EMERALD SERIES

MV-EMRLD-32

Our Emerald Limited Series TVs have our MirageVision TV internal weatherproofing (KryptoShield) and picture enhancement (MPET) calibration, but we have excluded our RainGuard to make these models a more affordable option.

FEATURES

DOLBY VISION™ – DOLBY ATMOS®

- ▶ Dolby Vision HDR picture and Dolby Atmos sound are cinema technology for your home. They provide amazing realism you can see and hear in every scene.

PEAK BRIGHTNESS

- ▶ Quad-Core Processor: Enjoy a fluid browsing experience and faster control-switching between apps, streaming content, and other media effortlessly.

FILMMAKER MODE

- ▶ A collaboration between film-makers, Hollywood studios, consumer electronics companies and the UHD Alliance. By disabling all post-processing and preserving correct aspect ratios, colors and frame rates, FilmMaker Mode displays content exactly as it was intended by the film-maker.

GOOGLE ASSISTANT

- ▶ The Google Assistant* is built into Android TV. Tell it to turn on the lights, change the thermostat, add stuff to your grocery list, or just play your favorite video. And with universal search, it's easy to get recommendations with Android TV.

VOICE REMOTE

- ▶ Makes controlling your TV easier. Open apps, turn the volume up or down, search for your favorite shows. And if the actual remote goes missing, use the buttons on the TV to activate

WORKS WITH ALEXA

- ▶ The Emerald Outdoor TV works with Alexa through any of your Alexa-enabled devices. Just ask Alexa to switch the TV on or off, change channels and lots more.

* **DISCLAIMER** – (including cabinet & screen sizes, contrast ratios, nit rating, color saturation, donor tv brand or model) are subject to change and should not be totally relied upon without consulting with one of our Global Outdoor Concepts/MirageVision TV Sales/Product Representative. Please keep in mind, that contrast, color, hues, nits, sharpness can vary based upon various testing circumstances and procedures. Please contact a Global Outdoor Concepts/MirageVision TV Representative for further updates, TV specifications, screen sizes, donor brand models, and outer cabinet dimensions.
