

ISOLATION GOWNS

Non-Surgical Isolation Gown

Disposable non-surgical isolation gowns provide protection from sprays, splatters, and small particles during procedures and exams. The gowns are made from a breathable non-woven material in order to prevent overheating and maintain comfort during long hours of use.

- Lightweight non-woven PP material with coating (42 - 44 gsm)
- Size: 115 cm L X 145 cm Bust
- Water Resistant
- For use in hospitals, clinics, food processing plants and cleanrooms
- Common Isolation — not intended for use in an operating room
- Country of Origin: China
