

N95 NIOSH MASKS

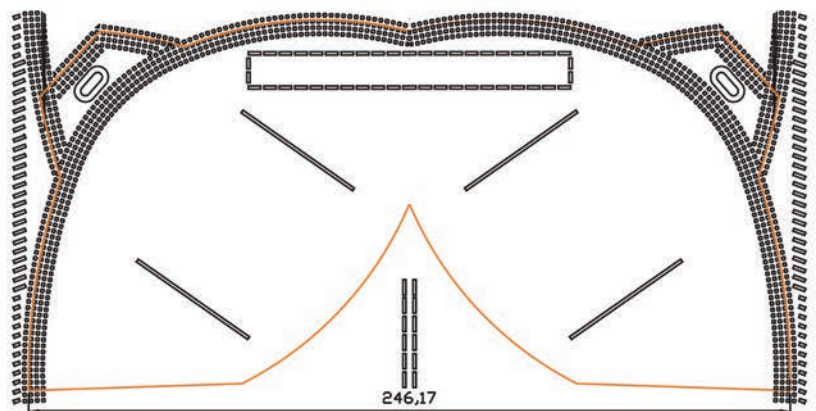

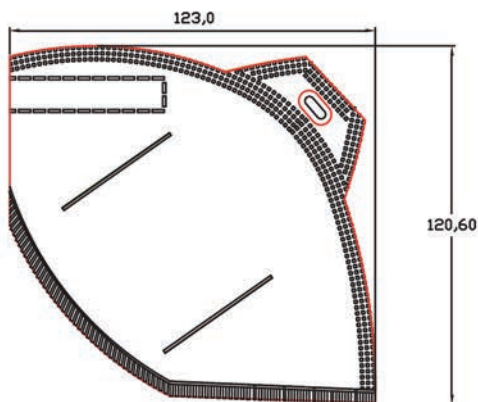

Swiss-Made N95 NIOSH Mask

First responders and healthcare professionals are in harm's way more than ever now. A Swiss-made N95 NIOSH Mask is a vital piece of equipment in their protective toolkit. Our N95 NIOSH Mask reduces the wearer's exposure to small particle aerosols and large droplets.

- Filter efficiency $\geq 95\%$ PM
- Around the head elastic straps for easy removal and adjustable nose clip for optimal fit
- Comfortable fit allows prolonged periods of use
- Flat design for space-saving storage
- Protects you from airborne particulates and pollution
- Intended for single use and cannot be reused
- The mask can no longer be used if it becomes damp through breathing, if it no longer fits tightly, or after use
- 5 layer mask is composed of the following materials: spun-bonded fabric, melt-blown fabric, PP/Bico fiber
- NIOSH Approval #TC-84A-9237
- Country of Origin: Switzerland
