

THE HAND SANITIZER TRUSTED BY FIRST RESPONDERS

Kills 99.99% of germs. Moisturizing mist protects for 2-3 hours.

Transportation Hospitals Dental Offices Retail Restaurants Salons Fitness Education Day Care Vets Car Dealers

KILLS 99.99% OF GERMS IN SECONDS:

GTech Armour hand sanitizer spray's unique formulation kills 99.99% of germs in seconds. Contains Benzalkonium Chloride, one of only three active ingredients approved by the FDA for hand sanitizers.

SKIN FRIENDLY FOR EVERYDAY USE:

GTech Armour's 100% alcohol-free skin moisturizing formula will not dry or crack hands/skin. It's designed for everyday use.

PROTECTIVE BARRIER:

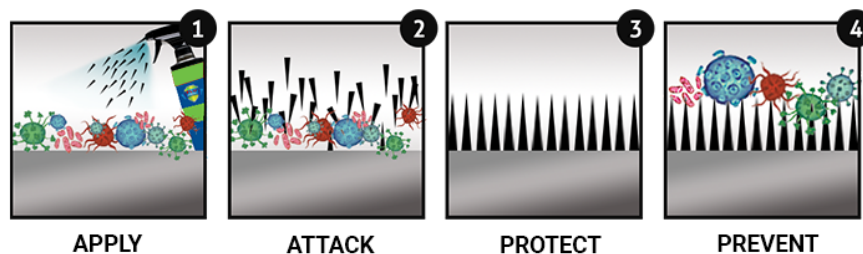

Leaves a microscopic protective barrier on hands/skin that continues to kill germs for 2 to 3 hours after application. Spray on GTech Armour BEFORE and after coming in contact with people and surfaces to help ensure maximum protection.

ON-THE-GO SURFACE DISINFECTANT:

Keep GTech Armour in your pocket to quickly disinfect your mobile phone, face mask and other surfaces you come in contact with while out and about.

EASY APPLICATION:

Spray on hands and skin. Fine mist spray dries quickly.

KEEP YOUR PEOPLE & CUSTOMERS SAFE.
