SASHA BIKOFF X ART HIDE

Art Hide, in its first-ever collaboration with an external designer, joins forces with renowned New York interior designer Sasha Bikoff. The partnership was born out of a shared commitment to crafting extraordinary and attention-commanding pieces.

Bikoff's distinctive style, characterized by its daring use of bold hues and vibrant patterns, takes center stage in a mesmerizing and luxurious collection that draws inspiration from the psychedelic fashion and bohemian spirit of the iconic Woodstock era.

SHIBORI RUG

Prepare to be transported to a world of exoticism from the east, where craftsmanship and creativity meet in perfect harmony. Visionary designer Sasha Bikoff has skillfully infused the ancient Japanese dying technique of Shibori into this exquisite rug. Drawing inspiration from her in-depth research and passion for handmade textiles, she has expertly combined tradition with innovation.

The magic begins with Art Hide's in-house dyeing process, which showcases a kaleidoscope of indigo blues, grays and lilacs. Art Hide's innovative Fusion technique takes center stage in the creation of this rug. With absolutely no stitching, the seamless finish of the Shibori Rug is truly a sight to behold.

Available in Circular, Rectangle, Runner & all Custom sizes.

MARIPOSA RUG

Immerse yourself in the captivating beauty of the Sasha Bikoff X Art Hide Collaboration - Mariposa Rug. Sasha Bikoff, a visionary in the world of interior design, has ingeniously brought the allure of the outdoors into this rug, allowing us to reconnect with the innate charm of natural hides. It is an homage to nature and a testament to Sasha's profound appreciation for the delicate beauty of butterflies and what they symbolize.

This extraordinary piece takes us on a whimsical journey. Picture yourself in a field adorned with enchanting butterflies, their vibrant colors twinkling in the sunlight as they gracefully flutter around you. Inspired by this mesmerizing spectacle, Sasha meticulously crafted the Mariposa Rug to embody the essence of a wildflower-filled meadow.

Available in Circular, Rectangle, Runner & all Custom sizes.

CREAM

DANS LE BOIS RUG

Dans Le Bois is more than just a rug, it's a statement. With its abstract and almost graphic-like subject matter, it truly captures the essence of the 70s. But what sets it apart is its playful take on Faux Bois design. The intricate pattern, featuring falling leaves, adds a touch of whimsy and magic to this groovy masterpiece.

This rug is lovingly crafted to transport you to an enchanting 70's inspired realm, with its vibrant colors and homage to nature. Inspired by the beauty of nature and the artistic flair of the 70s, Dans Le Bois tells a story that is both nostalgic and modern.

Available in Circular, Rectangle, Runner & all Custom sizes.

MULTI

FUNGHI RUG

Dans Le Bois is more than just a rug, it's a statement. With its abstract and introducing the Sasha Bikoff X Art Hide Collaboration - Funghi Rug, an epitome of magic and artistry in the world of interior design. Mushrooms are currently in the spotlight, and inspired designer Sasha Bikoff knew it was the perfect opportunity to create a rug that embodies their playful spirit.

The Funghi rug, shaped like a mushroom, is a grand-scale masterpiece that feels like part of a fairy tale. It's like a piece of the forest right at your feet, perfectly balancing the beauty of nature with the artistry of design.

Available in Custom sizes and Colors.

FRAGMENTS RUG

The Sasha Bikoff X Art Hide Collaboration Fragments Rug effortlessly blurs the boundaries between art and fashion. This exquisitely crafted rug is the perfect embodiment of contemporary style and vintage vibrancy, drawing influence from designer Sasha Bikoff's reverence for vintage leatherwork and patchwork fashion from the 70s.

The Fragments Rug utilizes Art Hide's traditional stitching technique alongside a carefully considered, uplifting color palette, allowing shades of the earth and sky to come together in perfect harmony.

Available in Circular, Rectangle, Runner & all Custom sizes.

WOODLAND MENAGERIE TAPESTRY

Woodland Menagerie is inspired by Persian pictorial rugs as well as vintage Flemish and French tapestries. It's really a combination of the entire collection. It shares a story of this beautiful woodland scene with deer and skunks and animals and it's very poetic and really shares Art Hide's great attention to detail and how Art Hide is really able to capture the essence of nature with these animals, the riverbed, the flowing stream and the trees.

BOHEMIAN RHAPSODY TAPESTRY

Bohemian Rhapsody is an energetic, enthusiastic pattern that is greatly detailed and it takes on the 70's hippie, trippie kind of vibe and it is greatly connected to the patterns that we created and the collection that was inspired by textiles, but it takes it takes up a notch to very extreme detailed and pattern.
