Pledge of Ethics

Members of the 3DPA pledge to promote the benefits of 3D Printing and seek to promote the inclusion of all sectors in society wherever opportunities arise. Every 3DPA member should be concerned with the maintenance of good practice within the profession. Only undertake to do work or provide a service that is within their professional competence. **NOT** claim any level of competence that they do not possess. Develop their professional knowledge, skills and competence on a continuing basis, maintaining awareness of technological developments, procedures, and standards that are relevant to their field. Accept their personal duty to uphold the reputation of the industry and not take any action which could bring the industry into disrepute.
