2. Scroll Feature

- Feature triggers when the SCROLL symbol appears anywhere on the ticket.
- After all paylines have played, the scroll reveals 3 choices to pick from
- A scroll contains 1 of 4 different features. The possible features are:
 - Instant Win
 - Treasure Stacks Feature
 - Tomb of Treasures Feature (*Only available on \$2.00 denomination*)
 - Added Wilds Feature

3. Added Wilds

- If the Scroll contains ADDED WILDS, it activates the Wild Feature
- Wild symbols will begin scrolling by on the ticket and may lock into a symbol position
- WILD substitutes for all symbols except SCROLLS and JAR

4. Treasure Stacks

- If the Scroll contains the Treasure Stacks feature, the game transitions to a single line ticket with a prize meter.
- The ticket opens revealing either a \$ or X
- If the player matches 3 \$ symbols, the prize meter goes up 1 level.
- 5 Plays are awarded
- Once all plays have completed, the player is awarded the current prize displayed on the prize meter. Only the highest reached level will be awarded

5. Tomb of Treasures

- **Tomb of Treasure feature is only available at \$2.00 denomination**
- If the Scroll contains the Tomb of Treasures Feature, the game transitions to an underground tomb that contains 5 unique treasures
- Pick a jay to reveal gems
- Match 3 gems of the same color to award the corresponding prize
